

### **Danby Meeting 3: (17/01/19)**

**Attending:** Alice, Brandon, Matthew, Sarah, Sophie.

#### **Timeline:**

1. Discussion about funding: clarifying college's position on member subscription fees.
2. Current budget £800-1000 which may not be enough for next committee to have a garden party; college doesn't want non-academic events.
3. Issues with the bank account still being in the old committee's control; old chair is in America making hand-over difficult.
4. St John's formal planning: The Downing formal had 15 John's and 26 Downing attendees. Might not be enough places on the John's formal. Could aim to do another swap (Trinity?) and split the numbers between Johns and Trinity.
5. Sarah and Sophie will set up the Google Form sign up.
6. Brandon's organised 2 talks for this term: Compsci startup professor and an Engineering manager. Only costs will be their formal tickets. Dates: 27<sup>th</sup> Feb and 1<sup>st</sup> of March.
7. Aim to get more attendance: make the formal tickets free for the first ~20 spaces.
8. Suggestion to allow for non-Downing people to sign up too -> already implemented on website.
9. Danby Quiz this term unlikely to happen.
10. Suggestion of Danby stash.
