Advertising Talks

Leor will make a poster. We will use Facebook and emails.

Email list

We don't have all the names yet from T&A, they will get it to us when they can.

Social Events

We will do some formal halls, hopefully swap to other colleges if we can.

A zoo trip was done in the past, we could consider something exciting and a bit different like that but there are considerations if it is during term time.

Sponsorship

Leor spoke to TomTom about the talk and meal, they will pay £8 a head so the price for a ticket will be £7.50.

It will be in week 7 but exact date tbc.

50 people minimum to attend.

They will talk about internships and graduate opportunities before the dinner.

They will get back to us about freebees.
